~~Today~~ Wednesday May 9th, 2018, 5:30 Pm  
 at limestone Ave Dayton Ohio. Officer Schwartz (Batch N: 519) and Colleague Confronted me in the friends (Chelsea Morote Car I was in it, at the parking lot, where I was visiting without any formal or informal introduction of them-self. With Chelsea's Kid's and many other kids in the neighborhood playing and riding bikes out on the curb / Pavements, they asked me "if I have a gun and drugs which I respond to them "No". They also asked me if I had an ID which I respond "Yes". I asked them if I can go get it, which they said "Yes". As my car was parked in the opposite section I came out of Chelsea's car in I was, jacked up Search from head to toe and taken to the cop car instead to get my ID. Officer Schwartz (519) Put handcuff on my left hand, that when I restrained from entering the cop car without my ID. The population come out and everyone was recording, live. They were pleading for them to let me go get my ID and they refused repeatedly and just wanted to Arrest me and take me away without no just cause. I let them know that ~~am~~ "I'm a Southern Cameroonian aka AMBAZONIAN, A father, A husband, Head of family both home and here (USA) I can't do drugs or be a fellow". Then I asked them that even if I was a fellow they have the right to introduce themselves even before asking me why they are there for. The most aggressive officer who was the friend of

Schwartz (519) of the Dayton Police Department said "They don't have any right to introduce themselves. I was made to ~~seal~~ sit on the floor with one of the handcuff on my left hand. After about 30 minutes and more of the struggle Officer Schwartz (519) opted to go get my ID in the (Purse) car. Chelsea and her 2 kids "were asked to go inside the house" which she refused saying "He didn't do nothing wrong" "He's my guess and I can't leave him like this". Officer Schwartz (519) when my car meanwhile Chelsea's car was thoroughly search even without a warrant by the latino officer a colleague to officer Schwartz (519) and nothing was found. Say, dropped something inside the car, which was a red plastic cup of fuzzy cola which I was sipping. The latino officer said "If I don't get into the car, I'll be shocked with the electric device and strapped". I felt like I was dead but I'm breathing, Almost got killed. I was identified but I couldn't let go free. Everyone was confused until around 20:10pm the latino officer saw that there was no alleged criminal record or any offence accountable for that day, he just went back to the car and came out saying me a 133.05 criminal trespass form which he didn't ask me to sign and to leave the premises immediately. But I couldn't because he had my mobile phone too in his pocket. When he gave me, I left before them and immediately.
